this section and under any of the following conditions:

(A) When a medical facility of their own nation is within reasonable proximity of the facility of the holding nation.

(B) When the patient is determined to require hospitalization in excess of 30 days.

(C) Where there is any question as to the ability of the patient to perform duty upon release from the MTF.

(iv) The decision as to whether a patient, other than one requiring transfer under paragraph (d)(1)(iii) of this section, is fit for release from the MTF is the responsibility of the facility's commanding officer.

(v) All clinical documents, to include x-rays, relating to the patient will accompany such patients on transfer to their own national organization.

(vi) The decision of suitability for transfer and the arrangements for transfer will be the responsibility of the holding nation.

(vii) Final transfer channels should be arranged by local liaison before actual movement.

(viii) Patients not suitable for transfer to their own national organization must be dealt with for treatment and disposition purposes as patients of the holding nation until they are transferred, i.e., they will be dealth with in military hospitals, military medical installations, or in civilian hospitals that are part of the military medical evacuation system of the holding nation.

(2) *Classification of patients.* Different channels for disposition will be required for the following two types of patients:

(i) *Patients not requiring admission.* Patients not requiring admission to an MTF will be returned to their nearest national unit under arrangements to be made locally.

(ii) *Patients admitted to medical installations.* All such patients will be dealth with per paragraph (d)(1) of this section.

(e) *Care authorized outside the 48 contiguous United States.* Major overseas commanders may authorize care in naval MTFs subject to the availability of space, facilities, and the capabilities of the professional staff in emergency

situations only, *Provided,* the required care cannot reasonably be obtained in medical facilities of the host country or in facilities of the patient's own country, or if such facilities are inadequate. Provide hospitalization only for acute medical and surgical conditions, exclusive of nervous, mental, or contagious diseases or those requiring domiciliary care. Administer dental treatment only as an adjunct to authorized inpatient care. Do not include dental prostheses or orthodontia.

§ 728.43 **Members of other foreign military services and their dependents.**

(a) *Foreign military service members.* For the purpose of § 728.43, members of foreign military services include only:

(1) Military personnel carried on the current Diplomatic List (Blue) or on the List of Employees of Diplomatic Missions (White) published by the Department of State.

(2) Military personnel assigned or attached to United States military units for duty; military personnel on foreign military supply missions accredited to and recognized by one of the military departments; and military personnel on duty in the United States at the invitation of the Secretary of Defense or one of the military departments. For the purpose of § 728.43, members of foreign Security Assistance Training Programs (SATP) and Foreign Military Sales (FMS) are not included (see § 728.44).

(3) Foreign military personnel accredited to joint United States defense boards or commissions when stationed in the United States.

(4) Foreign military personnel covered in agreements entered into by the Secretary of State, Secretary of Defense, or one of the military departments to include, but not limited to, United Nations forces personnel of foreign governments exclusive of NATO nations.

(b) *Care authorized in the United States.* Military personnel of foreign nations not covered in § 728.42 and their dependents residing in the United States with the sponsor may be routinely provided only outpatient medical care in naval MTFs on a reimbursable basis. *Provided,* the sponsor is in the United States in a status officially
